

# Course Choices

Please make sure you have studied carefully the Information Booklet supplied in the prospectus wallet, examining the different pathways of study available to you before completing your course choices.

Make up to three firm course choices from the list below in order of preference, by putting **1, 2, or 3** in the box next to the courses you have chosen.

If there are other courses (Reserve Choices) that you are considering but are not sure about, put an 'R' in the box next to the course.

Some courses are taught only at St George's Academy (S), some only at Robert Carre Trust (R), some are shared or taught at more than one institution. If the course you wish to take is offered at more than one institution **CIRCLE 'R'** or 'S' to show where you would prefer to study the course.

A full timetable consists of 3 single courses or 1 full time. A double course counts as 2 singles, and a triple as 3 singles.

**All courses are Level 3 (A-Level equivalent) unless stated.**
