

6th Form Independent Study Guide

Subject – **GERMAN**

- Students should use a reflective journal for independent learning to be looked at each term by their teacher.
- Read a news article in German from a reputable news outlet (www.zeit.de)
- Watch a 100 second summary of the news from www.tagesschau.de
- Read short stories – Penguin have collated some dual-language texts you could buy and read
- Go back over work you have written and ensure you've corrected any mistakes, responded to any feedback, improved your answers to be more in line with the exam board mark schemes
- Look at Wort für Wort and find topic-specific vocabulary you can use in your own work
- Watch a German film both for language and cultural exposure
- Look at German magazines online and consider a subscription (www.stern.de)
- Practise grammar either using your text book or by getting a practice book
- There are more ideas in the transition pack which you can find on the SJSF website.
