

History: Year 12 transition work

Stuart Britain and the Crisis of Monarchy

Tasks

1. Produce two brief profiles of James I and Charles I. One side of A4 for each King is enough. Include key dates and key events from each of their respective reigns.
2. Read the chapter you have been given from 'An Introduction to Stuart Britain' by Angela Anderson. You will also need to do some additional research to help you to complete the following tasks in order to familiarise yourself with the key issues. You will use this in your first lesson in September. You are trying to build up a picture of what Britain was like in 1603.
 - a) Read the chapter and do some additional research to explain how 'The Reformation' changed the beliefs of the church in this country.
 - b) Try to explain the difference between Catholics, Anglicans and Puritans in this period.
 - c) Why was it so difficult for the different churches to coexist peacefully at this time in Britain?
